

**The School
of St Jude**

Fighting poverty
through education

St Jude's Wish List 2022

Can you help us source these much-needed goods?

Thank you!

Thank you for your interest in donating goods to The School of St Jude. The wish list below contains items that are difficult or expensive to source in Tanzania that may fit in your suitcase when you visit.

Tanzanian customs authorities at the border will most likely require you to present a taxation waiver letter to enable you to bring these items to St Jude's. Please contact us in advance at DonorRelations@schoolofstjude.co.tz so we can send you a tax waiver letter and provide advice about priority items listed below.

Please note

- Educational materials and stationery are always required, especially quality, accurate information and pictures about Africa.
- We have plenty of Australian informational resources, memorabilia, souvenirs, and small clip-on koalas. We do not require any more.
- We cannot use large-sized, stained or heavily worn clothing. It is against Tanzanian law to send or donate used undergarments.

- Digital cameras
- Headphones (with microphone)
- Samsung tablets
- Small digital or mirrorless cameras eg: Sony A6400
- Smart phones (with good camera)

**Second-hand but in good condition would be appreciated.*

Book suggestions 2022

Our libraries have reasonable fiction collections thanks to many generous visitors over the years. However, most of our books are written by international authors. St Jude's is working to build our collection of African fiction (particularly contemporary fiction) and titles written by African authors.

Our requested titles are listed on a number of online books websites. We carefully review and update these lists throughout the year, so that supporters like you are aware of our priority needs.

- If you are in the UK or Australia, you can view:
 - Book Depository wish list here: <https://www.bookdepository.com/wishlists/WCNU7J>
 - Booktopia wish list here: <https://www.booktopia.com.au/view-shared-wishlist.ep?customer=2151648784&wishlist=2145087123>
- If you are in the US, you can view our Amazon wish list here: https://www.amazon.com/hz/wishlist/l/3CYN312RZWAMR?ref_=wl_share

Please do not purchase from these lists and send titles directly to St Jude's, as this costs the school customs tax, often costing more than half the value of the book or shipment. Although the books listed on these websites are our highest priority, we also appreciate similar books in good condition.

Second-hand book guidelines

We know some of our visitors have access to second-hand resources. If you are donating second-hand resources, we prefer good-quality resources with publication or revised dates later than 2010.

Dictionaries

Secondary school level:

- Accounting/commerce
- Arts
- Biology
- Chemistry
- Geography
- Physics
- Science (general)
- World history

Atlases

Primary and Secondary levels:

- World geographic
- World history
- World political

Encyclopaedias

- Secondary and primary school levels on CD if available

Magazines

Secondary school level:

- National Geographic
- Science magazines such as New Scientist or Scientific American

Recent editions in good condition are appreciated.

Please note:

The following resources are NOT required; our libraries are generously stocked with multiple copies, thanks to the goodwill of past visitors to St Jude's:

- Shakespeare plays and study guides
- Classic plays and texts, e.g. 'The Odyssey'
- Books by John Steinbeck, George Orwell, F Scott Fitzgerald, Mark Twain, Stephanie Meyer, or SE Hinton
- Popular series and children's books: 'Anne of Green Gables' series, 'The Secret Garden', Enid Blyton books, 'Saddle Club' series, 'Harry Potter' series, 'Dr Seuss' series, 'Twilight' series, 'Little Golden Books' and 'Berenstain Bears'
- Picture books or large format young books (quarto)
- Readers (small booklets) and learn-to-read/graded reading books: such as Scholastic, McGraw-Hill and Scotts
- Primary-aged books on animals and dinosaurs
- Recreational DVDs (movies or TV)
- Videotapes and audiocassettes

Want to do more?

The school also has a list of specialised and very specific goods that are expensive or can be harder to source, even overseas. Some items may also be larger, meaning they will likely take up more of your luggage or incur extra luggage costs. These goods are a specific once-off need of the school, please consult the Donor Relations team (DonorRelations@schoolofstjude.co.tz) before making any significant purchases of these items.

Please note

Please make the Donor Relations team aware that you are about to purchase any of the below items so that we can make sure they are still needed.

The links provided are a guide, if you can source these items more economically from your own research, please feel free to do so. You can also contact our Donor Relations team for more information about the goods on this list. There also may be additional items that we can recommend you bring over.

Second-hand items of good quality will also be appreciated.

Extracurricular robotics and programming

- Edison robots class pack
- Lego We-do box
- Lego Mindstorm EV3
- Micro bit sets
- Arduino starter kits
