A story to Remember

Join us for an unforgettable conversation with the renowned founder of one of the largest charity schools on the African continent - Gemma Sisia.

After opening The School of St Jude in Tanzania over 20 years ago, we are honoured to welcome Gemma and two incredible alumni, Suleiman and Winnie, to share first-hand the exciting developments, successes, challenges and personal stories from Arusha, Tanzania.

Don't miss out on this incredible opportunity to experience the true impact of St Jude's.
