

EXPRESSION OF INTEREST

For the Supply of Cartrack Service to The School of St Jude

The School of St Jude invites interested and qualified suppliers to submit their Expression of Interest (EOI) for the supply of Cartrack service

St Jude is committed to engaging reliable, competent suppliers who consistently deliver high-quality products and service at competitive prices. As part of expanding our supplier database, we are seeking suppliers with the capacity to provide Cartrack service to the school vehicles.

Submission Requirements

Interested suppliers are requested to submit the following documents:

- Company profile
- Valid business license
- BRELA certificate if registered
- Copy samples of proforma invoice, tax invoice, delivery note, and EFD receipt
- Tax Identification Number (TIN) certificate
- VAT Registration Certificate (if registered)
- Evidence of relevant experience in providing Cartrack service
- List of major clients (if any)
- Any other supporting documents

Specific requirements for the supplier on the gps service regarding their platform, few to mention

- **Dashboard and live tracking**

Live, user-friendly, and customizable dashboard operating in real time, showing current vehicle location, movement status, trip history, ignition status, speed, and allowing filtering by vehicle, campus, route, location, status, and date range.

- **Reporting and data export**

Automated and custom reports that can be generated easily by users and exported in standard formats such as Excel, PDF, and CSV.

- **Geofencing and route monitoring**

Geofencing capability including creation and management of geofence locations, monitoring vehicle entry and exit, generation of geofence-based alerts and reports, and journey replay or route playback for vehicle follow-up

- **Alerts and exception management**

Alerts for unauthorized movement, after-hours use, over speeding, battery disconnection, tampering, tracker offline status, and automatic phone call or instant notifications in case of critical incidents

- **Maintenance and reminder tracking**

Reminder tracking for service, tyre replacement, insurance, licence renewal, inspection dates, and other maintenance or compliance requirements, with the ability for authorized users to update and manage reminders

- **Integration and user access**

Availability of an API for future integration with the school's systems, role-based user access, and access through both desktop and mobile application

- **System performance and evaluation**

High location accuracy, reliable real-time tracking performance, historical data retention for reporting and audit purposes, and provision of sample dashboard screenshots, sample reports, or a demonstration of the platform for evaluation

- **Support: reliable support in terms of training, creation of reports etc.**

Conditions of Engagement

- After the evaluation, shortlisted suppliers will be provided with the number of vehicles at the school that require car tracking services, and will be required to submit their price quotations.
- Payments will be made at the end of each month upon receipt and inspection of goods.

Submission Details

All EOI documents should be submitted via email to purchasing@schoolofstjude.co.tz or delivered physically to the Procurement Office at Moshono on or before Thursday **23rd April 2026**.

Only shortlisted suppliers will be contacted for further evaluation.

We look forward to establishing a mutually beneficial business relationship.
